SOCIAL JUSTICE CORNER

Next week begins our suggestions for celebrating a less commercial Christmas, but here are some "green" things to consider before shopping for loved ones. Environmentally speaking, ideally you should send gifts six weeks in advance. Last-minute air delivery burns more fuel than other forms of transportation and releases more CO_2. It's also better to choose lightweight gifts or ones that don't have to be sent (such as theater, concert, or sports tickets held at a will-call window). It can also be greener to buy locally, in the spots where loved ones live. You might need some help to find out what's available. Ask family about their favorite stores. Gifts from these stores also makes returns easier. A bundle of gifts from the same merchant to different family in the same town can also save on fuel. Finally, when you order, forget the gift boxes and ask retailers to minimize packaging and use recycled materials. ***—based on information found in www.wholeliving.com/photogallery/ask-mindy-pennybacker#slide_30***

SOCIETY OF SVDP 2011 ACTIVITY SUMMARY

The Society of St. Vincent de Paul continues to serve as a helpful friend for those families and individuals going through difficult times. During September, we received 73 calls for assistance which was the highest volume month we have ever experienced. October saw more than 50 calls.

2011 Fiscal Year Summary

Our 2011 fiscal year ended on September 30. For the 2011 year we received 458 calls. This compares to 255 calls during 2010… a 79% increase! Overall, we assisted 1,815 people with the following services:

- Delivered 2,505 bags of food, paper products, personal hygiene items, and cleaning supplies
- In addition to food, we delivered $6,335 worth of gift cards for food or gas
- Paid bills totaling $9,158 helping 20 families with rent, 3 with water bills, 19 with utility bills, 5 people with prescription drugs, 11 people with various other expenses
- Served 4 Neighborhood House Sunday lunches
- Sponsored BINGO the second Thursday of every month at Sharon Woods—a fun night for everyone
- Total value of assistance by the Society was over $45,000

Thank you for being our partner!!

None of the above would be possible without the support of Holy Family parishioners and the strong backing of our priests. While our food pantry is diminished, we are still able to deliver a generous amount of basic food items. Whenever we appear close to running out of food or cash, God sends us more. Holy Family Parish is recognized as a Catholic Community that helps brothers and sisters in Christ. Many times our assistance lifts a family through a crisis and provides encouragement that helps them over a hump and on to better days. Our recipient families are very appreciative and pray for our parish intentions. **If you need help, please call us. Our mission is to serve those in need**. You are encouraged to call the parish office, 688-3427, x200. All calls and personal information are held in confidence. Also, any adult interested in joining the Society of St. Vincent de Paul should contact Marv Schneider at 446-9027.

November, 2011

Dear Friends in Christ,

Right now, many American families are struggling to make ends meet. As people are laid off, lose homes to foreclosure, lose health insurance, and watch their retirement funds disappear; it may be difficult to think of others in need. However, financial struggles have become even harder for the 37 million Americans who have been living in poverty. For nearly 40 years, the Catholic Campaign for Human Development (CCHD) has offered a solution to poverty by funding low-income community groups all over the United States that find lasting solutions to the root causes of poverty. CCHD supports the poor and low-income in acquiring affordable housing, fair wages, access to health care and vocational training. The leaders of CCHD-funded groups are low-income community members who want to change their situation for a lifetime.

In Catholic social teaching, we are called to bring glad tidings to the poor, to proclaim liberty to captives and recovery of sight to the blind, to let the oppressed go free. (Lk 4:18)

Our support of CCHD is vital to solving poverty in the United States. Thank you for your generosity. Please join me in praying for those affected by the weak economy, those whose struggles are magnified by it, and those who are working to create solutions to it.

Sincerely yours in Christ,

+Daniel R. Jenky C.S.C.

Most Reverend Daniel R. Jenky, C.S.C.

We will take up this second collection next weekend, November 19-20. If you need an envelope, there are extras at the entrances to the church.

SCHOOL NEWS NOVEMBER 2011

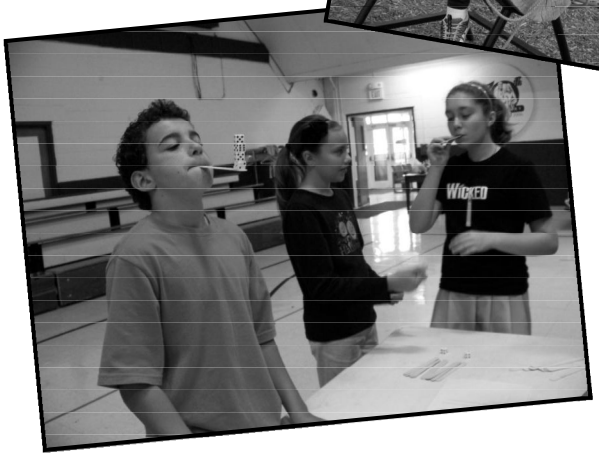
Holy Family School's first quarter was filled with excitement. Just a few examples are: Ben Franklin and many of his fellow colonists opened our "Quest for Independence" unit by visiting us on September 19. The primary students visited Radar Family Farm and, of course, we all celebrated Halloween.

November is going to be quite busy. Our Veteran's Breakfast was an enormous success, and the following events still remain:

November 18: "Festival of Freedom" celebration. Please come by the school between 11:00a.m. - 1:00p.m. to view the many projects that our junior high has created.

November 18: Special Persons' Day- To make reservations for the luncheon, please call or stop by the school. Everyone is invited to join the students at Mass at 10:00 and then come to the school to enjoy our "Festival of Freedom" and dine on our Thanksgiving meal.

November 21-25 Holy Family School will be closed for Fall Break.



HOLY FAMILY SCHOOL

New Translation of the Roman Missal
New Words—Eternal Truths

The Mystery of Faith!

The institution narrative quickly follows the invocation of the Holy Spirit. Taking up the bread and the chalice, the priest recites the words of Christ: "This is my Body" and "This is the chalice of my Blood." Through the priest, acting in *persona Christi,* the same Word that created the universe, and the same Word that became flesh, is the same Word that transubstantiates the bread and wine into the Body and Blood of Christ.

The priest then announces, "The Mystery of Faith," and then we acclaim, "We proclaim your Death, O Lord, and profess your Resurrection until you come again." The redemptive sacrifice of Jesus is not simply an historical event but a present reality that anticipates fulfillment when Christ will come again.

The anamnesis (memorial) calls to mind the Paschal Mystery – the passion, death, resurrection and ascension of our Lord. The Catechism teaches that "the memorial is not merely the recollection of past events but the proclamation of the mighty works wrought by God." Thus, the sacred events are made present and real at Mass. Connected with the anamnesis is a second epiclesis over the people asking that those who eat "the Body and Blood of Christ. . .may be gathered into one by the Holy Spirit." In this way, the *mystical* Body of Christ, the Church, is fashioned on Earth. Also connected with the anamnesis is an offering. More specifically, the Church offers back to the Father what she has just received from him: a pure, holy, and spotless victim; a "living sacrifice;" "the Bread of life and the Chalice of salvation."

Several petitions come next. We always pray for the unity of the Church and especially for our Pope and Bishop. We also pray for the dead and ask that they and we would someday share in the fellowship of the saints in Heaven.

The Eucharistic Prayer ends with the doxology – the great words of praise. The priest raises the chalice and paten, and chants or recites: "Through him, and with him, and in him, O God, almighty Father, in the unity of the Holy Spirit, all glory and honor is yours, for ever and ever." These words of praise summarize the reality of what has just taken place: the sacrificial offering of the Son to the Father through the Holy Spirit. We respond with our statement of belief as we sing the great "Amen!"
